 10. Company will determine, at its sole discretion, whether a covered system or appliance will be repaired or replaced. When replacing any appliance, Company will not pay for any failures that do not contribute to the appliance's primary function including, without limitation, TVs or radios built into the kitchen refrigerator. Company will replace with equipment of similar features, efficiency and capacity but is not responsible for matching brand, dimensions or color. Company may install a smaller capacity unit, including but not limited to water heaters and furnaces, if the projected output of the replacement unit is similar to, or greater than, the replaced existing unit. Company reserves the right to replace with a rebuilt component or part or repair systems and appliances with non-original manufacturer's parts. When coverage has been confirmed and a replacement is needed, Company is not responsible for matching any features of an existing item that do not contribute to the primary function of that item.
 11. Company reserves the right to obtain a second opinion at its expense. If Company informs you that a malfunction is not covered, you must ask Company for a second opinion from another Service Provider within 14 days of notice. Company will not reimburse for provider you select, not contracted with Company, to perform a second opinion. Company will dispatch a second Service Provider to diagnose the malfunction. If the outcome of the second opinion is different from the first opinion, Company will accept coverage under this Contract. If your requested second opinion's diagnosis is the same as the initial opinion, you will pay an additional service call fee.
 12. Company is not responsible for repairs and/or replacements that are subject to a manufacturer's, distributor's or in-home warranty or subject to a manufacturer's recall. Covered systems and appliances must be domestic or commercial grade and specified by the manufacturer for residential use.
 13. Company is not responsible for repair or replacement of any system, appliance, component or part thereof that has previously, or is subsequently, determined to be defective by the Consumer Product Safety Commission or the manufacturer, and for which either entity has issued, or issues a warning or recall, or when a failure is caused by manufacturer's improper design, use of improper materials, formula, manufacturing process or manufacturing defect.
 14. This contract does not cover routine maintenance.
 15. You and Company may agree on payment of cash in lieu of repair or replacement. Payment is made based on Company's negotiated rates with its suppliers, which may be less than retail. If you accept cash payment, you are required to repair the Item or provide a new replacement and send proof of repair or replacement to Company. The Item will not be covered under this or future Contracts until such proof is provided.

CUSTOMER SERVICE

1. Claims can be placed online or by telephone at all times. During normal working hours (Monday – Friday) your claim will be dispatched within four hours of confirmation of coverage. The services contracted for will be initiated under normal circumstances by the Service Provider within 48 hours after request is made by you. Your submission to Company describing the problem is sufficient notice. The Service Provider will commence diagnosis without first requiring the completion of a written claim form or other such form of proof of loss. The Service Provider will contact you to schedule a mutually convenient appointment time; You will take reasonable measures to prevent secondary damage caused by a failed system or appliance. If you should request Company to perform service outside of normal business hours, you will pay additional fees, including overtime charges. Company must be notified as soon as a malfunction is discovered and prior to expiration of the Contract term.
2. "Trade Call" means each visit by an approved Service Provider to service each home system or appliance. You will pay the service call fee disclosed on your Home Warranty Summary page for each separate Trade Call. An additional service call fee will not be due when multiple visits are required to remedy the same home system or appliance. Service Providers dispatched for Trade Calls are independent Service Providers, not agents or employees of the Company. Company warrants Service Provider's work for 30 days. If the Item fails outside of the 30-day time period, an additional service call fee will be charged. Failure to pay the service call fee may delay processing of future claims.
3. If Company is not able to locate a Service Provider to service your claim, Company may request that you contact an out-of-network provider directly to obtain service. Company's policies and procedures for outside reimbursement are:
 - a. Approval must be secured in advance of any work being performed and is generally only granted when Company is unable to locate a Service Provider.
 - b. The out-of-network provider must be licensed and insured.
 - c. The out-of-network provider must provide detailed information regarding their diagnosis prior to performing work so that Company can confirm coverage and validate repair or replacement recommendations.
 - d. Covered repairs or replacement will be authorized if the work may be completed at an agreed upon rate.
 - e. You must submit the itemized paid receipt to Company for reimbursement within a reasonable amount of time. Company will reimburse up to the authorized amount.
 - f. Company will deduct any service fees owed from any reimbursement provided.

RESOLUTION OF DISPUTES

This provision constitutes an agreement to arbitrate disputes on an individual basis. Any party may bring an individual action in small claims court instead of pursuing arbitration.

All disputes and claims arising out of or relating to the Contract must be resolved by binding arbitration. This agreement to arbitrate includes, but is not limited to, all disputes and claims between Company and the Homeowner, Company and the Seller, and claims that arose prior to purchase of the Contract. This agreement to arbitrate applies to Company, Homeowner and Seller, and their respective parent and subsidiary companies, affiliates, agents, employees, predecessors and successors in interest, assigns, heirs, spouses, and children. **As noted above, a party may elect to bring an individual action in small claims court instead of arbitration, so long as the dispute falls within the jurisdictional requirements of small claims court and remains in that court.**

Any arbitration must take place on an individual basis, and Company, the Homeowner and the Seller agree that they are

waiving any right to a jury trial and to bring or participate in a class, representative, or private attorney general action, and further agree that the arbitrator lacks the power to consider claims for injunctive or declaratory relief, or to grant relief affecting anyone other than the individual claimant. If a court decides that any of the provisions of this paragraph are invalid or unenforceable as to a particular claim or request for a particular remedy (such as a request for public injunctive relief), then that claim or request for that remedy must be brought in court and all other claims and requests for remedies must be arbitrated in accordance with this Contract.

The arbitration is governed by the Consumer Arbitration Rules (the "AAA Rules") of the American Arbitration Association ("AAA"), as modified by this Contract, and will be administered by the AAA. Company will pay all AAA filing, administration and arbitrator fees for any arbitration it initiates and for any arbitration initiated by another party for which the value of the claims is \$75,000 or less, unless an arbitrator determines that the claims have been brought in bad faith or for an improper purpose, in which case the payment of AAA fees will be governed by the AAA Rules.

The arbitration will take place in the same county in which the property covered by the Contract is located. The Federal Arbitration Act will govern the interpretation, applicability and enforcement of this arbitration agreement. This arbitration clause will survive the termination of this Contract.

AGREEMENT

You and Company are parties to the Contract (Parties). This Contract constitutes the entire agreement between the Parties and supersedes all prior and contemporaneous agreements and understandings of the Parties. No modifications to this Contract are effective unless in writing and signed by both Parties.
