_____ I am confident I can operate a 17' truck.

_____ I understand that I am responsible for all damages to this truck and will return it in clean and good working order with full tank of gas.

_____ **I understand that if I do not return the truck with a full tank of UNLEADED fuel and a receipt for the gas my deposit check of \$100 will be cashed to cover fuel.**
Check # _____ (Make payable to: Cherry Ruffino)

_____ I understand this is a **NON-SMOKING** vehicle and will not smoke in the vehicle or van.

1. **Before Driving:** Adjust the left/right mirrors. Familiarize yourself with all of the vehicle's instruments and how to operate the truck in inclement weather, how to control the temperature, and all other controls.
2. **Parking/Backing:** Try to avoid backing up whenever possible, but if it's necessary, please use a Spotter to guide you. It is difficult to judge the correct distance using only the mirrors. Remember to always use the parking brake when leaving the vehicle unattended.
3. **Watch Overhead Clearances:** Beware of low overhangs, such as gas stations, hotel canopies, bridges, tollbooths and street signs. Please do not drive through restaurants, hotels, banks, canopies, etc. This vehicle is **ten feet, six inches tall (10'6")**.
4. **Allow Greater Following Distances:** A loaded truck can take up to 9 times as long in stopping time and distance than a passenger car. Please leave at least five to six vehicle lengths between you and the car in front of you. At approximately 14,000 lbs. a collision would result in considerable damage and/or personal injury.
5. **Secure All Cargo:** Make sure all materials in the van are secure so as to avoid shifting while driving. We are not responsible for any damage to your belongings.
6. **Equipment:** A Dolly/Hand truck is inside van. It must be returned with truck or your credit card will be charged for replacement cost.
7. **Drive Safely:** Please wear your seat belt at all times while operating this van and always obey all traffic laws and regulations. Remember to drive a little slower than you would if you were in a car and you should avoid passing. Use caution when changing lanes and entering/exiting highways.
8. **UNLEADED FUEL:** The moving truck runs on **UNLEADED FUEL ONLY**. **Please return the truck with a full tank of gas and receipt for release of your deposit check**

If you should have an accident please call the police right away. The insurance companies will require a police report when filing a claim. Please notify your insurance agent immediately.
