SOLAR ECLIPSE
August 21, 2017

Bob, we can't thank you enough for the time and effort you put into us helping to find our little piece of Heaven there. We absolutely love the area and you *definitely* have not heard the last from us. You helped us determine what areas & set ups would be best for us and gave us a ton of insight as we continue on our journey.

Thank you for your patience and for just being you!

I hope you will take us up on our offer to come see us next time you are in the Dallas/Fort Worth metroplex as we would love to treat you.

Please tell your girlfriend thank you again for our solar eclipse glasses, we have them hanging in our game room now as a memorabilia! We brought back so many great memories from that trip and we will continue to be proactive in our searches there. Thank you again from

the bottom of our hearts!

Axel & Pamela
