TEE TIME POLICY & PROCEDURE

Golf Shop personnel will assign the tee times upon member request based upon availability. Golf Shop personnel have the sole authority to reserve tee times for members to best accommodate a member request. All players must have a reserved tee time, and all four players' names are to be recorded 48 hours prior to the day of play. Singles, twosomes, and threesomes may play at the discretion of Golf Shop personnel but should not expect to play through foursomes and should not exert any pressure on the groups ahead. Fivesomes shall be permitted at the discretion of Golf Shop personnel.

Golf Shop personnel must approve tee time changes. Failure to register within 10 minutes of your scheduled tee time may result in forfeiting the tee time. Players late for their starting time shall begin play only at the discretion of Golf Shop personnel. Cancellation without proper notice, or not showing up for a designated, reserved tee time, is cause for forfeiture of future reservation privileges. Additionally, the Club may impose a cancellation fee, which may, in the Club's sole discretion, be billed directly to the member's club account without notice.

RECIPROCAL RULES

Reciprocal Programs are subject to revision from year to year, day to day, season to season, club to club at the sole discretion of the ownership and management. Availability for reciprocal play is subject to special events and conditions at a particular course on specific days.

FREQUENTLY ASKED QUESTIONS

Q: What comprises The Cliffs communities?

A: The Cliffs clubs are comprised of seven distinct clubs, each with their own golf course and variety of club amenities. The clubs include The Cliffs at Keowee Falls, The Cliffs at Keowee Springs and The Cliffs at Keowee Vineyards, all located on Lake Keowee in Upstate South Carolina; The Cliffs at Glassy, The Cliffs at Mountain Park and The Cliffs Valley all located north of Greenville, South Carolina; and The Cliffs at Walnut Cove near Asheville, North Carolina.

Q: Who designed the golf courses?

A: The Cliffs' golf courses were designed by some of the most famous designers in the world, receiving numerous accolades by *Golf Digest*, *Golf Magazine*, *LINKS*, *Golfweek*, and state rating panels. One of the features of The Cliffs is that each course is unique in its own way, from The Cliffs at Glassy golf course high atop Glassy Mountain with a 75-mile view, to The Cliffs at Keowee Vineyards with its eight holes on Lake Keowee and to the classic links-style course at The Cliffs at Mountain Park. Course designers include:

Tom Jackson	The Cliffs at Glassy
Ben Wright	The Cliffs Valley
Tom Fazio	The Cliffs at Keowee Vineyards and The Cliffs at Keowee Springs
Jack Nicklaus	The Cliffs at Walnut Cove and The Cliffs at Keowee Falls
Gary Player	The Cliffs at Mountain Park

Q: What other amenities do the clubs offer?

A: While golf is a significant part of The Cliffs lifestyle, the clubs offer so much more. The Cliffs has a team of sommeliers whose goal is to improve the enjoyment of wine and spirits for members of The Cliffs. Wellness programming can be found at each club with dynamic programming and personal training by Grey Institute Fellows, the most elite personal training certification in the world. The breadth of the lifestyle is best illustrated by the fact that The Cliffs offers a variety of activities including weekly hikes guided by The Cliffs Outdoor Pursuits Team, cycling programs under the direction of George Hincapie, Bobby Julich, and Christian Vande Velde, cooking classes, watersports program, golf tournaments, social groups, and social clubs. Q: What memberships are available?

A: There are two categories of membership: Golf and Active.

Q: Are there reduced green and cart fees for children 16 and younger?

A: Yes. Junior players, age 16 and under, escorted by a member, receive a reduced rate of \$25, excluding cart fee.

FREQUENTLY ASKED QUESTIONS (CONT.)

Q: Can my membership be inherited by one of my children?

A: Yes. With instruction from your estate, membership is inheritable as long as the property with which it is associated is also conveyed to the same child.

Q: Will I have a Home Club?

A: Yes, when you purchase a property and membership, your Home Club will be in the community where your property is located. While you have privileges to all seven clubs, there are some limitations of use such as tee times and ability to play in the Member-Guest at the other clubs.

Q: Do I have to purchase a membership if I own property?

A Membership purchase is not required; however, if you do not purchase a membership in some category at the time of closing on your property, neither you or any subsequent purchaser of your property will be eligible for a club membership. Please verify if the property you are interested in is eligible for a membership by contacting the Membership Office at 864.371.1003.

Q: Can I purchase an Active Membership and then later upgrade to a Full Golf membership?

A: Yes. You simply will pay the difference between the initiation fee you originally paid and the initiation fee for the Full Golf memberships at the time of your upgrade, and start paying the applicable dues.

Q: What if I am not a golfer but want to make sure a purchaser of my property is eligible to purchase a golf membership in the future?

A: So long as you have a membership in good standing at the time of sale, and assuming there are Golf Memberships available, the purchaser of your property would simply apply for a Golf Membership and, once accepted for membership, pay the initiation fee being charged at that time for a Golf Membership.

Q: Can I transfer my membership to a subsequent purchaser?

A: No. Memberships are not transferable.

Q: Who may be listed as designees on the membership?

A: The primary member, a spouse or significant other, and any children under the age of 24 may be listed as the members on a membership. Children over the age of 24, and any other family members or friends are considered guests, even if they live in the residence.

Q: What if two or more families purchase a property together?

A: Only one family may be listed as members of a membership. The other families would be considered guests.
