Visual Tour Online: www.4905DeerMeadowLane.com

Welcome Home to this immaculate home on a 2/3 acre lot with pristine inground pool and nearly 5000 well appointed finished square feet! This traditional brick two story home with finished walkout lower level is the opportunity you've been looking for! The floorplan boasts 5bedrooms, 4.5 baths, and a 3 car garage. Districted for award winning Oldham County Schools, and located with quick access to I-71, this Buckner neighborhood of Stonefield Trace is the community you've been searching for! Your new home here on Deer Meadow Lane has been meticulously cared for by its one owner. Recent updates include stunning new hardwood flooring throughout the main level, plus new flooring throughout the lower level walkout as well! The home's design presents a perfect place to call home, with the main level featuring a grand foyer, guest powder room, formal living are that opens to formal dining room, gourmet kitchen with breakfast area that flows into the family room, plus a sun room (with vaulted ceiling) that presents magnificent views of the lush green back yard and the sparkling inground pool! The master suite and three additional bedrooms are found on the second level of the home. The spacious master is complimented with a double tray ceiling offers plenty of room for all of your furniture, plus a sitting area. The master bath has exquisite architectural detail, including a dramatic arch over the soaking tub. Dual vanities, separate tile shower, and water closet are additional highlights of this master bath. Two of the additional bedrooms are serviced by a jack and jill bath, plus they offer direct access to the second level bonus room (perfect for a play room!). The third additional bedroom on the second level has an ensuite bath. The home continues as you discover the well finished walkout lower level. There you will find a large open living area (second family room!), plenty of space for billiards and game tables, an entertaining bar equipped with a sink and cabinetry, a fourth full bath and a fifth bedroom with tray ceiling and a fireplace (currently used as a fitness room). No design detail is missed, from the wrought iron spindles complimenting the foyer staircase, to the exquisite crown molding trim in many of the spaces, to the transom windows elongating many of the rooms' windows, allowing for even more natural light to stream in! Granite counters, custom cabinets, custom moldings and trim work, and travertine tiled baths are found throughout this lovely home. The backyard is an oasis with a sparkling pool featuring a slide, fountain, shallow tanning ledge and automatic pool cover which extends the swimming season with reduced need for heating, as well as less need for chemicals. For maximum safety, the pool cover can be locked to prevent kids from entering unsupervised. Finally, there is plenty of room around the pool for the kids to play, and a weatherproof storage shed under the rear deck. This is the home you've been looking for! Call for your personal tour today!
