Make this home your 1st and FINAL stop! This one owner home featuring four bedrooms, three full baths is a walk-out brick ranch located on a Cul-de-sac lot in the highly-coveted neighborhood of Heritage Hills in Crestwood, Kentucky. Apart from the unrivaled location off of Hwy 22 and districted for award winning Oldham County schools, this home is exquisitely updated throughout. This year's updates alone include new carpet in the bedrooms, updated tile flooring in the basement, and meticulous enhancements to the already pristine landscape, making the curb appeal radiant. In 2016, the kitchen and bathrooms were vibrantly renewed with granite countertops, updated sinks/faucets, and new vanities. The main level of this home has been transformed with richly-toned wood flooring throughout the living areas. The Great Room is eye catching, catching your attention as you enter from the Foyer, with its cozy fireplace and vaulted ceiling. Also, off of the Foyer, you'll find a large, well-appointed space that can be used both as an Office or a Formal Dining Room - your choice! The floor plan provides a fantastic flow from the Great Room to the renovated Kitchen - note the new dishwasher, recessed lighting, and stylish backsplash. The Breakfast Area looks out into the spacious back yard which is accented on its perimeters by black fencing (representative of luxurious KY horse farms seen across Oldham Co!). Check out the spacious and luxurious Master Suite, which boasts soaring ceilings plus an upgraded finished trim package. The En Suite Master Bath is expansive, designed with a double vanity, whirlpool tub, separate water closet and walk-in closet outfitted with ample shelving! The home offers additional living space throughout its finished walkout lower level... it's perfect for entertaining family and friends! The layout of the lower level offers an open concept complete with a second Family Room plus play area, flanked by a plumbed entertainment bar area, which faces a well-equipped media space with custom built-in cabinetry. The lower level was smartly upgraded with brand new tile flooring in March of 2017. Provided by the walk-out lower level is the fourth bedroom and third full bath. Be sure to peek into the unfinished space as well - TONS of storage space and/or perfect for a workout area/Home Gym. From the inside out, from its original construction, this home has been meticulously cared for. The builder built it for his daughter, who is the current owner - which demonstrates the highest level of care and through the loving history of this home! This property offers everything you've been looking for, call the list agent immediately to schedule a private showing!
