OUR KW CONSUMER APP

Put the power of the world's most ground-breaking, innovative Real Estate technology in the palm of your hand - our KW Consumer App!

SAVE THOUSANDS OF DOLLARS IN CLOSING COSTS AND PREPAIDS!

When you hire TPG, qualified buyers gain access to the Zero Plus Keller Mortgage Loan - where thousands of dollars of closing costs are literally zero'd out for you (not rolled into your mortgage, not rolled into a higher interest rate!). Those dollars stay in your pocket and are not spent in your purchase! Our clients keep an average of \$4000-\$8000 in the bank - instead of spending that money in standard, typical buyers' closing costs - when they purchase their home!
