

INTRODUCTION

The Classics Country Club is a place where you will enjoy all the amenities of a country club, golf, tennis, fitness, and dining, but more importantly, The Classics is all about the people. Members make our Club the most active, comfortable and friendly Club in the Naples area.

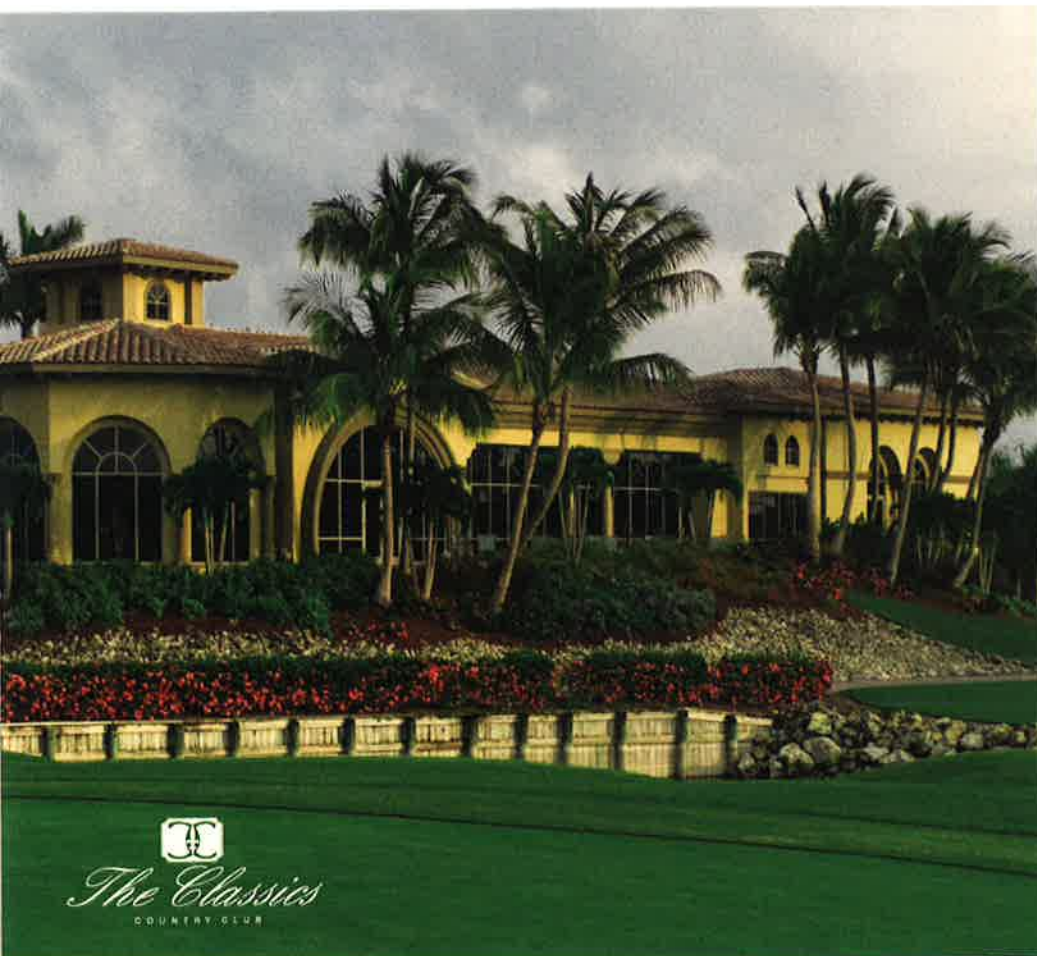

The Classics Country Club is designed specifically for avid golfers of all skill levels who are looking for a place to escape every concern except where to place their next shot. Our three 18-hole championship golf courses deliver a spectacular golf experience while our luxurious Mediterranean-style clubhouse makes this a country club you'll want to call home.

If you are looking for a social lifestyle where golf, activities and events keep you coming back into your Club with family and friends, you've come to the right place. At The Classics, it is not about the bricks and mortar, but the gathering of friends inside that matter.

We pride ourselves in partnering with our Members. We do this through our Board of Advisors and Committees that work hand-in-hand with Club Management to build a Club full of friends. At The Classics we use the time-honored tradition of Membership by Invitation. This tradition allows us to continue to fill The Classics Country Club with friends, family and memories.

When not on the course, you can relax in the clubhouse or enjoy our Har-tru tennis courts, fitness facility, enjoy a cocktail and dining in our clubhouse dining room.

Please set up an appointment for a personal tour and the opportunity to see first hand what Classics Members enjoy. We'd love to welcome you as our newest Classics Members!
