

Your Premier Florida Country Club Membership At A Glance...

At TwinEagles, our annual club golf dues are \$12,800 - with no initiation fees, no food minimums and no assessments. We offer a premier golf and country club experience that is unparalleled. Our members take pride in the fact that they enjoy golf on the same 36 holes that the tour professionals play.

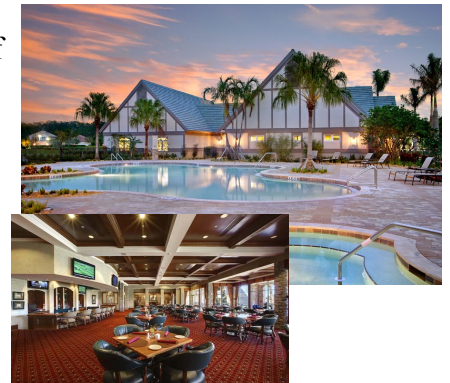

TwinEagles offers 36 holes of Championship golf: **The Talon** course, co-designed by **Jack Nicklaus** and his son Jack Nicklaus II, and **The Eagle** course, designed by golf course architect, Steve Smyers and design associate Patrick Andrews – the 2012 host site of the LPGA CME Group Titleholders tournament, earning the 2012 “**Best New U.S. Private Course of the Year**” from Golf Magazine and the **2012 Design Excellence Award** by the American Association of Golf Course Architects.

TwinEagles members revel in the excitement surrounding the **PGA Champions Tour Chubb Classic**, on The Talon course, with exclusive member tickets, suite seating on the 18th green, and clubhouse tournament dining access.

TwinEagles is limited to **600 Golf Memberships for 36 holes**. Our Golf Members enjoy the ability to request tee-times 30 days in advance, spaced tee-times in 10 minute increments, complimentary bag storage, as well as an expansive full turf dual sided range with target greens, and four practice greens providing Titleist range balls.

After golf, relax at the “Pub” or outside on our verandah overlooking the golf courses, or at the poolside **Chickee-Tiki Bar**. We have an active dining & social calendar that offers diverse and exciting Club events, including our Tiki Tuesday Member Mingler Happy Hours, dinner dances, and educational lecture series. Our **Fitness Center** offers state of the art cardio and strength equipment, as well as fitness programming and classes in the studio. TwinEagles also offers two Har-Tru tennis courts for day or night use, as well as a tennis professional available to provide clinics and lessons for our members.
